

Afterschool Programs

Bunche Park Elementary offers parents/guardians two after school program choices that provide child-care daily, from dismissal time until 6:00PM.

South FL Afterschool All Stars, Inc.

This is a safe and secure afterschool program that provides quality student instruction and extracurricular activities that inspire the physical and intellectual growth of enrolled students.

Abreindo Puertas

This program offers a high quality, enriched after school program, funded by the Children's Trust and free of charge to selected students.

The program includes literacy, social skills building, physical fitness, nutrition education program and healthy snack.

Beyond the Bell Programs

Bunche Park Elementary offers a variety of beyond the bell programs tailored to students' needs.

Title III Tutorials Services:

This program is offered to our English Language Learners twice a week afterschool.

iReady –Computer Lab

The computer lab is opened daily from 8:00-8:30 AM. It is monitored by two teachers. This offers students to the opportunity to work on iReady in reading and math therefore increasing their weekly usage time.

Afterschool Tutoring-Reading and Math

This tutorial program is offered to selected students in the areas of reading and math. The purpose of this program is to address these students' deficiencies in these subject areas in order to ensure that students make learning gains.

Saturday Academy

Offer for grades 3-5 from January-April. This program provides these students with an additional hour of reading and math instruction addressing school wide concerns.

Bunche Park Elementary offers a Technological-Rich Learning Environment

With an increased access to technology and digital information, Bunche Park Elementary has realize the importance of preparing students with the 21st century skills necessary to compete in the global market and digital world. Therefore, through the Dr. Gerald G. Glass /Bunche Park Elementary School Partnership to Advance School Success (PASS) facilitated by the Council for Educational Change (CEC), Bunche Park Elementary offers their students the latest in technology:

- **Smartboards**, interactive whiteboards, in all classes for teachers and students to utilize during classroom instruction.
- **i-Pads , Laptops and Tablets** to supplement and/or differentiate instruction for students.
- **Document Cameras** to assist teachers in providing explicit guided instruction.

These technologies will inspire students to become inquisitive, creative, and critical thinkers, preparing them for success in the digital world of the 21st century.
